

Message from the Executive

It is with great sadness that the Council says goodbye to Alan Biesman-Simons as an Executive Member.

It is an almost impossible task to document the dedication and service that Alan has rendered to the Federation over the years. From being a hot-head founder member who fought every inch of the way to get the Federation recognised to writing the initial Constitution, being a tattooist, running the Training Judges' Committee, training helpers, running the biggest club in the country, overseeing the Federation's finances, the list could go on forever.

To say "Thank You" for his years of hard work seems totally inappropriate and inadequate.

Luckily for us, Alan is only stepping down from the Executive and he will still be active in the organisation.

The GSD Federation of South Africa Executive

Executive President
Vice President
National Training Supervisor

Frikkie van Kraayenburg
Spencer Tarr
John de Swardt

National Breed Supervisor
National Administrator
