Your meeting with our President – December 2015

Dear Mr. van Kraayenburg:

I do hope you had a good start into the new year and things are going well in your part of the world.

Reference is made again to the lateral meeting as held in Lahnstein (Germany) on the occasion of the convention of breeding judges and breed surveyors in early December 2015 between our president, Professor Dr. Heinrich Meßler, yourself and the undersigned, and we would like to inform you as follows:

1. The Verein für Deutsche Schäferhunde (SV) e.V. and the World Union of the Association of German Shepherd Dog Clubs (WUSV) will not grant any judge releases for events as scheduled by the Kennel Union of South Africa (KUSA) as long as the disputed facts and problems between the German Shepherd Dog Federation of South Africa and KUSA are still pending

2. The SV and WUSV will, however, continue to grant judge releases as usual to the German Shepherd Dog Federation of South Africa for events in terms of performance and breeding.

3. Since the German Shepherd Dog Federation of South Africa is a full member of the WUSV your organization is nevertheless entitled to register a team for the WUSV World Championship IPO. This applies regardless of the outcome regarding the membership of your organization within the KUSA

We do hope this takes care of everything and thank you for your kind consideration.

With kind regards

Hartmut Setecki
