

Resolution

By The Council of the
German Shepherd Dog Federation of South Africa

After careful deliberation the Council unanimously resolved to issue the following statement:

“This Council recognises the value of criticism internally through the internal structures of the Federation as acceptable and indeed desirable.

However, public criticism of the organisation, its bodies and decisions and its officials is to be considered against the interests and objectives of the Federation in terms of Paragraph 1.2 of Schedule I of the Constitution of the Federation.

Defamation on all levels shall be deemed as against the interests of the Federation in terms of paragraph 1.2 of Schedule I of the Constitution of the Federation.”
