

## Decisions taken at WUSV Meeting re South Africa

23 September 2022

1. South Africa to be allowed to continue awarding V gradings according to their existing rules until 1 January 2025.
2. South Africa to be allowed to continue awarding VA(SA) gradings according to their own rules.
3. SV Judges to be sensitized re Points 1 & 2 upon requests for clearance.
4. The awards granted as per Points 1 & 2 will not be recognized by the WUSV or the SV
5. Identification and DNA to be administered in South Africa.
6. HD and ED to be according to South Africa's own scheme provided the evaluator is accredited by Prof Talheim, such evaluation to be made on the internet submission of 5 Digital X-rays.
7. Information re membership numbers (where available) and show entry numbers of WUSV Countries' Sieger Shows to be freely available and published on the WUSV website.
8. Current rules re the required working trials for a V grading: List of acceptable trials to be expanded to include the following in alternative to IGP1, HGH and/or ZAP:

Utility Trial, Agility, Obedience, BH, Rescue Dog, Tracking Dog

Signed:

Hartmut Setecki  
WUSV-Generalsekretär

Frikkie van Kraayenburg  
President: GSDF
